| 9  | R1 |           |         | R2       |               |
| 13 | R1 |           |         | R2       |               |
|    |    | I can     | Your    | When I'm |               |
|    |    | feel      | body    | lying    |               |
| 17 |    |           |         |          |               |
|    |    | There's   | con     | Going    | Going         |
|    |    | too much  | fusions | around   | around        |
| 21 |    |           |         | 7-8      | 7-8           |
|    |    | Making    | so      |          | know          |
|    |    | me        | angry   |          | that the      |
|    |    |           |         |          | flame still   |
|    |    |           |         |          | burns         |
| 25 |    |           |         |          |               |
|    |    | Why can't |         |          | When will     |
|    |    | I get     |         |          | I ever learn? |
|    |    | over      |         |          |               |
| 29 |    |           |         |          |               |
|    |    | Old Love  |         |          | leave me      |
|    |    |           |         |          | alone         |
