

**CineMa** THE PINK PANTHER

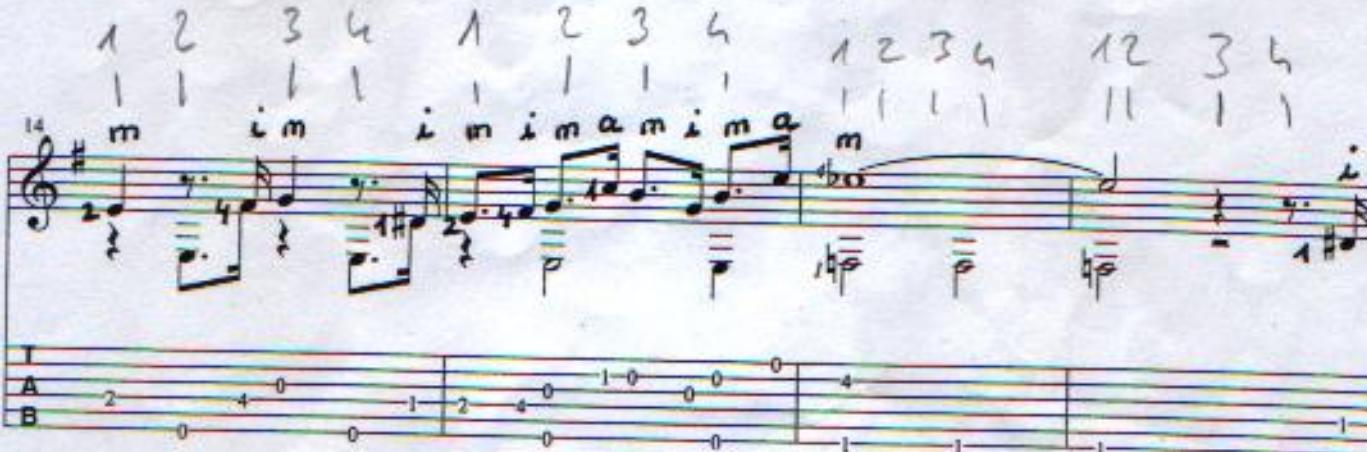

Musica di Henry Mancini

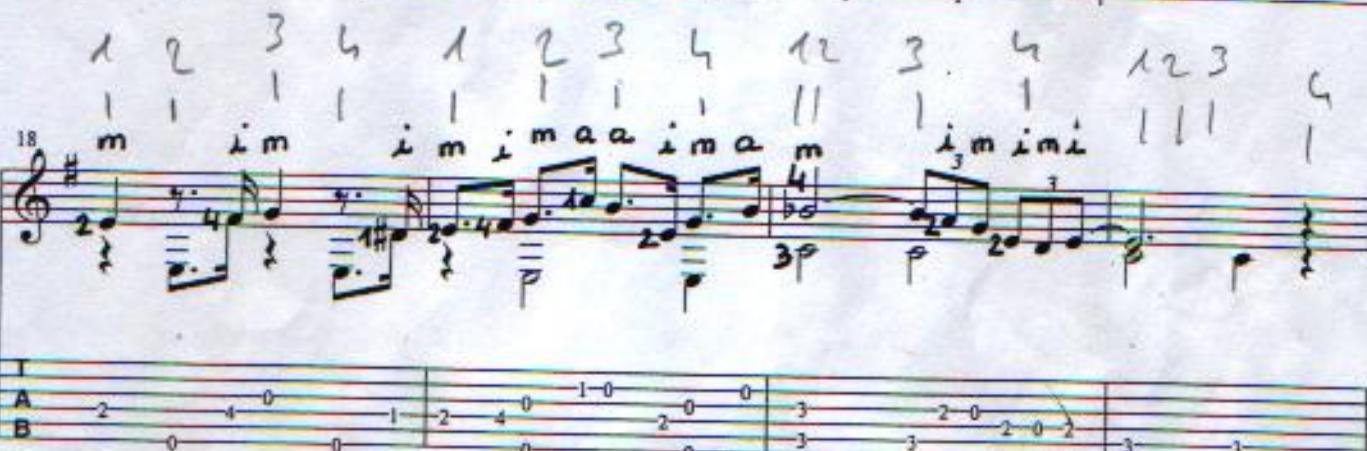

Famosissima colonna sonora dell'omonimo film. Quest'arrangiamento per chitarra è di facile esecuzione presentando sostanzialmente la melodia contrapposta al basso. Ponete attenzione all'andamento swingante del brano.  
Arr. Roberto Fabbri

The image shows handwritten musical notation for a guitar, consisting of three staves. The top staff is for the treble clef guitar, the middle staff for the bass guitar, and the bottom staff for the guitar's six strings. The notation includes various fingerings (e.g., 1, 2, 3, 4, m, i, u) and dynamic markings like 'p'. The music is in common time and includes measures numbered 1 through 16. The notation is heavily annotated with handwritten lyrics and numbers above the notes, likely indicating specific performance techniques or fingerings.
